

Date: 09 January 2009

Dear Customer,

Subject: The EC Regulation 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (“REACH Regulation”)

Reference: Your inquiry on articles/ KWxBV

Further to your enquiry in respect of the above substance / article / preparation and its use we can now confirm the following;

- Has been pre-registered by the OEM / supplier
- Has been pre-registered by the Cooper Industries Only Representative
- The articles fall outside the scope of REACH
- We are still awaiting confirmation from the OEM / supplier in respect of registration

With regards to the potential SVHC content of our products, we are currently undertaking a detailed review of the material content across our full product range. It is our intention to ensure we fully comply with the SVHC aspect of REACH.

We will communicate the results of our review, along with our compliance strategy within the timeframe set in the REACH Regulation.

Regards,

Christine Geier
